

TO ALL FLIGHT CREWS AND OPERATORS ARRIVING/DEPARTING AT ATLANTIC AVIATION LAS VEGAS

THE WEEK OF 01/07 - 01/11/2019

Greetings from Las Vegas!

We have enhanced our flight support plan and our top talent is coming in from all over the country to help support KLAS with the Consumer Electronics Show! We have allocated plenty of state-of-the-art equipment and enhanced technology in efforts to providing a wonderful service experience.

We expect a large influx of traffic in and out of the airport during these dates therefore, we would like to advise of some details to ensure a smooth visit during your stay with KLAS.

Please make note of the following:

1. McCarran has requested that all FBOs operate through a ramp reservation system. It's mandatory that all aircraft have a reservation prior to their arrival. If arrival delay notice is not received or updated within a three-hour window of the scheduled time, your reserved spot may be forfeited.
2. In order to guarantee handling, we require a credit card attached to your trip(s). Please note a non-refundable special event fee of \$750 will be charged to all reservations during the CES event.
3. We advise fueling on arrival whenever possible.
4. To keep the event running smoothly the FBO needs to be made aware of all updated departure times to make room for incoming aircraft.

Please let us know if we can be of assistance or if you have any questions. We truly appreciate your support and look forward to serving you during such an exciting event for Las Vegas!

Cordially at your service,

Atlantic Aviation Las Vegas
