## It's Derby Week!

We have once again enhanced our operational plan to prepare for the 150th Kentucky Derby, guaranteeing you a great service experience! We have added equipment, enhanced technology, increased security, and have top talent coming in from all over the country to support this year's event.

### **Airfield and Operational Info:**

We will be using several aircraft parking areas on the airfield, however, there is limited space compared to prior years.

We will have two fully operational FBO terminals - our **East Primary FBO Location**, located in the northeast corner of the airfield off of taxiway E4, and our **West Secondary FBO Location**, located on the west side of the airfield off of taxiway A5. Additionally, some aircraft will be parked on the north side of the airfield in Kilo Taxiway Parking.

**East Primary FBO Location** is our main FBO Terminal located at 1131 Standiford Ave, Louisville, KY 40213.

**West Secondary FBO Location** is our temporary FBO Terminal located at 5015 Crittenden Dr Louisville, Ky 40209.

We will provide all typical services needed regardless of where you are parked on the airfield, including fuel, lav service, and transportation. **Be sure your transportation company knows your tail number.** We'll direct them to the correct FBO terminal (East Primary or West Secondary) for your arrival.

Upon landing, you will be directed to the appropriate arrival area and met with a marshaller. After passenger deplanement, we will immediately position your aircraft to your parking placement where all services will be performed.

## What to Expect:

**Triple Awards will be available!** Ask how many gallons of Jet A you need to purchase to qualify! Required gallons dependent upon aircraft type.

**Drone('t) miss out on our giveaway!** Purchase at least 100 gallons over your minimum fuel requirement and enter to win a drone! More details at FBO locations upon arrival.

**Food and fun on Derby Day!** We'll have food trucks and ice cream at both East Primary and West Secondary FBO Locations on Saturday from 10:00 - 17:00.

*Thank you to our partner, Hertz Car Rental for co-sponsoring the drone giveaway and food trucks!*

**Safety is of paramount concern**, and we want to ensure that you and your passengers have a fantastic Derby experience. The excitement of the 150th Kentucky Derby will bring a monumental celebration, and we are expecting Saturday, May 4th, to be very busy. Rest assured that we are prepared to handle the influx of traffic and all of your fuel and aircraft service needs.

See you soon!
